

To the Members of the California State Assembly:

I am returning Assembly Bill 2065 without my signature.

This bill requires the Superintendent of Public Instruction to develop and the State Board of Education (SBE) to adopt, “library content standards.” The content standards that the SBE has heretofore adopted define the academic content that a student at each grade level should know, for various subjects. The “library content standards” that this bill would require the SBE to adopt, however, do not meet the definition of our state’s academic content standards.

For this reason, I am unable to sign this bill.

Sincerely,

Arnold Schwarzenegger
